

## **AITI POLICIES (Feb. 2020)**

### **AIT Seminars:**

- All the AIT official seminars will be posted on the website. And you receive a certificate from AITI with the AITI logo and image. You can validate the information at this email: [institute.ait@gmail.com](mailto:institute.ait@gmail.com)
- Those interested in taking and AIT Seminar must register on our website ([www.ait.institute](http://www.ait.institute)) and pay through the store. AITI will inform you if you have the qualifications to join this seminar.

### **AIT Basics Seminar:**

- In order to take the AIT Basics Seminar, you must have earned a master's degree or higher in a helping profession such as social work, counseling, family therapy, clinical psychology, psychiatry, medicine and the like, or the equivalent in the country where they reside.
- You can take the AIT Basics Seminar in any country if you are a mental health professional in your country. The AITI certificate is valid worldwide for all the seminars.
- The students can take AIT Basics as many times they want and need. When retaking a seminar, you get a reduced price.
- With an AIT Basics seminar certificate, you can use and treat patients with AIT. But you are not officially an AIT practitioner.

### **MAP Seminar:**

- In order to take the MAP seminar, you must have earned a master's degree or higher in a helping profession such as social work, counseling, family therapy, clinical psychology, psychiatry, medicine and the like, or the equivalent in the country where they reside. And you have taken AIT Basics first and have presented 2 cases to an authorized AIT supervisor or in supervision group sessions.

### **Advanced Seminars:**

- In order to take AIT advanced seminars, you must have earned a master's degree or higher in a helping profession such as social work, counseling, family therapy, clinical psychology, psychiatry, medicine and the like, or the equivalent in the country where they reside. And you must have taken AIT Basics first and have presented 2 cases to an AIT supervisor or in supervision group sessions.
- If you have taken AIT Basics, you can take MAP.
- If you have AIT Basics and MAP you can take all the rest of the seminars.

### **Becoming an AIT Practitioner:**

- Take the AIT Basic Seminar and have 2 supervisions sessions (presenting a case each session) with an authorized AIT Supervisor.
- Take the Mastering AIT Practice Seminar (MAP) and have 2 supervisions sessions (presenting a case each session) with an authorized AIT Supervisor.
- Pay the annual AITI FEE: US\$ 40 (Latin America), US\$ 75 (USA and Europe). Fees can be paid on our website: [ait.institute](http://ait.institute)
- AIT Practitioners must pay their annual fee annually and take an AIT seminar at least once every 2 years to maintain their certification.
- If you want to know how become an AIT Practitioner, please visit this link: <https://ait.institute/ait-seminars/ait-requirements/>

### **Benefits of being an AIT Practitioner:**

- Your profile will appear on the AITI Therapist Directory.
- AITI will promote your AIT Seminars, courses or lectures on the AITI website and all the AITI social media pages.
